Tuesday 18 November 2025				
8.00am-9.00am Registration				
9.00am-10.30am	Workshop 1	Advancing Learning Health Systems: The Role of Clinical Quality Registries and Linked Data		
	Workshop 2	From The Ground Up: A Registry Workshop (Ten Steps. One Scenario. Endless Ideas. Let's Build!)		
10.30am-11.00am	Morning tea and poster s	session		
11.00am-12.30pm	Workshop 1 cont	Advancing Learning Health Systems: The Role of Clinical Quality Registries and Linked Data		
	Workshop 2 cont	From The Ground Up: A Registry Workshop (Ten Steps. One Scenario. Endless Ideas. Let's Build!)		
12.30pm-1.30pm	Lunch and poster session	n		
1.30pm -3.00pm	Workshop 3	Community And Patient- Centred Registries		
	Workshop 4	Beyond the Benchmark: Outlier Engagement Strategies		
3.00pm-3.30pm	Afternoon tea and poster session			
3.30pm-5.00pm	Workshop 3 cont	Community And Patient- Centred Registries		
	Workshop 4 cont	Beyond the Benchmark: Outlier Engagement Strategies		

Wednesday 19 November 2025				
8.00am-				
9.00am	negistiation			
9.00am-	Plenary 1 – Driving change for the next generations of registries			
11.00am	Chair: Jade Newman and Tamara Hooper			
	Moderator: Jocasta Ball			
	Welcome to Country			
	ACTA Welcome		Chris Reid	
9.00am-			Chair, ACTA Board	
9.15am			,	
9.15am-	Welcome and Introd	uctions to Clinical	Jade Newman and Tamara	
9.20am	Registries Day		Hooper	
9.20am-	Flashback + Future -	Looking back to look	Stephen McDonald	
9.40am	forward.		ANZORRG	
9.40am-	Framework self-asses	sment tool, AU Register of	Suchit Handa	
10.00am	Registries + survey res	sults	ACSQHC	
10.00am-	Next-CR Project		Blanca Gallego Luxan	
10.15am			(CBDRH, UNSW Sydney)	
10.15am-	Resources to support	next gen of registries from		
10.25am	within the sector (5m	-		
	- CQR Best practice guide and training module		Susannah Ahern	
	- Establishing and setting up new registries,		Tamara Hooper	
	Demonstrating in	npact		
10.25am-	CROSS-Link project - What's the latest in the		Felicity Flak	
10.40am	world of data linkage		(PHRN)	
			(	
10.40am-	Australian/New Zealand perspective:		Ashish D Diwan	
10.55am		hrough Data, Design, and	(AMR) emailed	
	Collaboration			
	Morning tea and poster session			
11.00am-				
11.30am				
11.30am-	Concurrent 1a – Driving change in Equity, Diversity and Inclusion in Registries Chair: Tesfahun Eshetie Moderator Eileen Lam		Concurrent 1b – Driving change in Al and automation in registries Chair: Dr Ken Sleeman	
1.00pm				
			Moderator: Jocasta Ball	
11.30am-	Embedding equity	Isabelle Haklar	Using machine	Sing Chee
11.45am	and transforming	(ANZDATA)	learning to	Tan
11. <del>4</del> 5aiii	CQRs for inclusive	(MIZDAIA)	enhance registry	Northern
			• •	
	health outcomes and/or		operations and/or analytics	Health

	Moderator: Nashwa Najib		impact at the loca or global level Chair: Tamara Hoop Moderator: Jocasta	l, national er
3.20pm	Driving change thro Chair: Jade Curtis	ugh co-design	presentations  Measuring and demonstrating registry	
2.00pm 2.00pm-	Concurrent 2a – Abstract presentations Concurrent 2b – Abstract			ostract
1.00pm-		Lunch and poster	session	
			type 1 diabetes- a large multi-centre study in Australia & New Zealand	
12.45pm- 1.00pm	Building an inclusive registry	Jade Newman	Machine learning techniques to predict diabetic ketoacidosis and HbA1c > 7% among individuals with	Arul Earnest
12.30pm- 12.45pm	Addressing disparities in registries (providing equitable reports for vulnerable populations)	Dominique Cadilhac (ASCR)	Reporting functions of the Australian Diabetes Clinical Quality Registry	Hossein Nejati (ADCQR)
12.15pm- 12.30pm	TBC	TBC	presentation.  Al and clinical registries	Owen Bradfield
11.45am- 12.00pm	data practices and governance in CQRs Indigenous data sovereignty and governance	Dr Scott Winch	Harnessing the power of large language models for intelligent data acquisition and data validation – a use case	Sanjeev Khurana
	emphasising the need for inclusive			

## ACTA 2025 CLINICAL TRIALS AND REGISTRIES SYMPOSIUM Driving change 17-19 NOVEMBER 2025 • CROWN PROMENADE, MELBOURNE Australian Clinical Trials Alliance
